### Thank You All For Making The Fund Raiser a Big Success

Thanks to all those who attended the fund raiser and making it so much fun! Besides just having fun, we managed to collect enough money to put up additional lighting for the remainder of the lighted courts. We were also given many donations from people who could not attend but wanted to see the courts improved for our community of tennis players.

We would also like to thank those who just helped out by running events, barbecuing, offering up silent auction items, creating and hanging up all the Valentine posters provided to us by Gordon Fletcher who also took all the pictures on our web site!

Please visit [www.eccta.net](http://www.eccta.net) and see all the pictures that were taken and feel free to download them.

Please remember that you can show up and play tennis in the evenings (provided that courts are available) for just a small \$5 per hour fee, which is used to pay for the lighting.
