### Fundraiser Gets Lights Cleaned

Thanks to all those who attended the last fundraiser, over \$1,400 was raised to clean the lights, something that hasn't been done in many years. Hopefully this will improve our night tennis!

### Mixed Round Robin Friday Nights

There are enjoyable Friday night mixers played and one Friday had over 25 players. If you think you might be interested in joining us or want to get on the email list please send an email to [keep me posted](#).

### January is Membership Dues Time

Since we're a nonprofit group we depend on what is probably the cheapest tennis membership in San Diego. It's only \$25 for the year and the money goes to court maintenance and improvements. So please pay early and often and while you're at it get family and friends to join!

### WTT Time!

Captains need to register their teams by the first week of January, so captains will be emailed instructions shortly. Also, players interested in joining a team please email us and we'll try and place you.

Finally cleaning the lights!

A fun time at the fundraiser

Friday Night Tennis

Have fun,  
stay fit,  
play tennis!
